Buckeye Warriors 2010 Player Sponsor Brochure

Within Every Patriot is a Warrior

**A Proud Member of the
Arizona Football League**

First to the Far West Valley

The Arizona Football League (AzFl) is proud to represent the First Far West Valley Adult Tackle Football Team in Buckeye.

The AzFl is an Adult Football Club that offers structured practices and organized games to give this players a chance to be drafted into college and the pros.

The Buckeye Warriors kick off the season with their annual open house on August 15th. Preseason begins September 2nd with all practices and some scrimmage games located at the Earl Edgar Regional Park in Buckeye using the regulation size football field. Season begins in January and runs through May ending with the Championship Game and League Dinner. The Championship Team walks away with Championship rings.

Your business will benefit from advertising with the Warriors by supporting this player. Your target audience expands the state of Arizona. There are 18 teams in the league with 30-50 players on each team ranging in ages of 18-50 yrs. Not only does their friends, families and advertisers come out each week to cheer them on but each week the league hosts a 4 hour sport talk show that airs world wide through radio and the Internet.

It is very important to understand that no one is compensated for their time. It's only for the love the game and the opportunity for the players to give them their last chance to be recognized by college and pros scouts and to support the community of Buckeye.

Don't miss your opportunity to join the first AzFl team in the Far West Valley. Your community support is priceless!
